I respectfully invite the attention of the COLLECTORS to the **Medals and Medalets** in the accompanying Catalogue, which I believe is the largest and finest assortment that has ever been offered in the United States, and the Series connected with the State of New York will, I think, be found peculiarly interesting.

Had the owner been able to superintend this portion of the Catalogue, I have no doubt it would have been presented more correctly, and I trust that, under the circumstances, my friends will overlook any errors that may be discovered in its arrangement.

EDWARD COGAN.

CANADA MEDALS.

All very fine.

This is, I believe, the largest and altogether the most important assortment of Canadian Medals and Coins ever offered in the United States. As a guide to collectors, I have referred to Mr. Alfred Sandham's book, "Coins of Canada," and to which the number of each Medal or Coin will be attached.

COPPER MEDALS.

All fine, unless otherwise described.

		SIZE.
1141	"Georgius II. Rex.," head to left. Quebec Medal, uncirculated. (S. No. 2)	26
1142	Britannia in a chariot, drawn by a Lion—supported by Liberty and Justice; known as the Louisburg Medal. (S. No. 3). Rev. same as No. 2	26
1143	Another, Copper gilt. The same in all respects. Mr. S. calls the reverse of this No 1; it should be No. 2. (S. No. 3)	26
1144	"Georgius II. Rex., head to left." Rev. Same as the above *obverse.* (S. No. 5)	26
1145	Ob. A Globe—a soldier and sailor pointing to the word, Canada, and below is "America" further down on the globe—above, Fame blowing a trumpet; below, prostrate figure of France. Rev. Naval scene, "Louisbourg taken, MDCCLVII." A rare medal. (S. No. 6)	26
1146	Ob. "O, Fair Britannia, Hail," head to left. Rev. Victory marching, &c. Same inscription as preceding. Very rare. (S. No. 7)	25

SIZE.

1147 Ob. Same obverse. Rev. Victory standing on the prow of a vessel, and holding a crown. Same inscription as the above. Very rare. (S. No. 8). Cracked die 25

1148 Ob. "Admi. Boscawen took Cape Breton," head to right. Rev. A fort, ships, &c, "Louisbourg—July 26, 1758." Damaged a little on the reverse—on a very thin planchet. Fair and rare. (S. No. 10) 26

1149 Ob. "Jacobus Wolfe Anglus," head to left. Rev. an Urn upon a pedestal, surrounded by military trophies—"In Victoria Cæsus;" in Exergue, Quebecæ, Sept. XIII., MDCCLIX. Very rare. (S. No. 11) 24

1150 Ob. Head between a trident and standard, a wreath binding them—Saunders under the trident, Wolfe under the standard. Rev. Victory crowning a trophy—a captive bound, "Quebec Taken, MDCCLIX." (S. No. 12). Very rare 25

1151 Ob. "George II. King," head to left. Rev. a female seated weeping under a tree—a beaver behind the tree; "Canada subdued." (S. No. 14). The reverse different from No. 13, to which Mr. Sandham refers, and is probably a rarer medal 25

1152 Ob. Arms of the Board of Arts. Rev. a wreath of maple leaves, between the tops of which is the Prince of Wales Feather. In wreath an inscription in eight lines about Canadian industry. Beautiful proof. (S. No. 16) 24

1153 Ob. Same as preceding. Rev. Maple leaf wreath encircling the inscription, "Lower Canada Provincial History." In the centre, "Honoris Causa, space below for a name. (S. No. 17) 24

N. B.—Mr. Sandham says these last two medals were engraved by J. S. Wyon, of London, for the Lower Canada Board of Arts, and after an account of the object for striking them, concludes by saying that as there were only sufficient issued for the exhibitors who were entitled to them, and therefore can only be found in the possession of others by having purchased them of exhibitors who did not value them, they must both, consequently, be very rare.

1154 Ob. "H. R. H. The Prince of Wales." Head almost fronting; rev. a view of "Victoria Bridge, Montreal, opened by the Prince of Wales, 1860." (S. No. 19) 26

SIZE.

1155 Ob. "Albert Edward, Prince of Wales." Head to left; underneath J. S. Wyon, S. C. Rev. "A Prince of Wales' Feathers, surrounded by a wreath of maple leaves; over which is a ribbon inscribed "Welcome, Welcome, Welcome." "Visited Canada and inaugurated the Victoria Bridge, 1860." A proof medal and very rare. (S. No. 20). By Wyon 30

1156 Ob. "Grand Trunk Railway of Canada." Head to left, draped, and behind, "Richard Trevithic." A presentation medal for good conduct and efficient service, during the year. By J. S. Wyon. (S. No. 21) 28

1157 Ob. "Victoria Bridge Medal." 30

Medal well-known to collectors in white metal, but this is the only one I have ever seen in copper. I believe it is very rare. This bridge cost Five Million Dollars, and a very interesting account of it will be found in (S. No. 22)

In a circle at the top, "Brewers," under which is a laurel, on the right of which is "Un" and the left "Sou," and underneath this is "Distillers, &c., &c., &c.". Rev. "Cash paid for all sorts of Grain, 1837." In a circle, Distillery Apparatus. Milled edges. Very little circulated and rare. (S. No. 34).
